'No one could have ever imagined that when this event started seven years ago that it could grow so exponentially'

Jaydeep Chitlangia — on a winning streak

Michael Bublé's It's Beginning To Look A Lot Like Christmas, I am convinced, got its inspiration from Kolkata, which is decked up to herald the festive season and the Royal Calcutta Golf Club has certainly not been left behind. The club is looking nice and its festive best and has been backed up by good attendance at a spate of entertaining evenings headlined first by Shaan, then a tribute to Kalyanji Anandji, the music directors, and the English music rendition by Jeffery Stevens... the club has truly lived up to the popular adage "Thank God it's Friday."
