Did You Know ?

The basics about Public Provident Fund (India)

The Public Provident Fund (PPF) is a savings-cum-tax-saving instrument in India and is fully guaranteed by the Central Government.

- A minimum yearly deposit of Rs. 500 is required to open and maintain a PPF account.
- A maximum amount of Rs. 1,50,000 can be deposited every year.
- Duration is 15 years and can be extended for 1 or more blocks of 5 years each.
- The rate of interest at present is 7.1% per annum (as of Feb 2022).
- The interest earned on the PPF subscription is compounded annually.
- Interest received is tax free.
- The entire balance can be withdrawn on maturity.
- All the balance is fully exempted from wealth tax.
