"App Ke Liye"

Diwali is one of the most revered Indian celebrations.

Did you know?

- It's celebrated by many faiths — Hindus, Sikhs, Jains, and Buddhists.

- For the sake of the environment, laser shows are starting to replace firecrackers.

- On the first day of Diwali, gold sells in record quantities.

- It began as a harvest festival.

- The word Diwali means “row of lights / lamps” .

- The lamps help Lakshmi find her way into peoples' homes.
