Foreword by Industry Expert

Mr. Kalpen Parekh

MD and CEO
DSP Mutual Fund

DSP MUTUAL FUND

It is always a pleasure to work with someone like Soumyajit who has seen from the closest quarter how the industry of finance/ investment/ mutual funds have grown to what it is now.

From 1996 till 2022: what a journey, pure vintage, sharp clarity and deep understanding!

With those as the first bricks Soumyajit has laid a foundation in WealthApp dictated by strong values and integrity. I have always seen him putting his client first and working to find the best suitable solution for him/ her.

He and the team are very dynamic. They have added all necessary solutions to their offerings and now are expanding much beyond Kolkata, now has presence in North, South, Western hearts of the country.

Kudos. And miles to go.
