“QUOTE OF THE MONTH”

A HUGE MISTAKE THAT MANY OF US MAKE IS TO WORK HARD OUR ENTIRE LIFE FOR MONEY AND NOT REQUIRE MONEY TO WORK FOR US IN RETURN.

Dr. Tathagata Das

Team Wealthapp congratulates Dr. Tathagata Das, the Founder and Secretary of Calcutta Public School and his students for the amazing feat his students have achieved in the ISC and ICSE 2022 exams.

Calcutta Public School, Kalikapur was also covered by The Telegraph focussing on the leadership skills of the students. You can read the full article in the online edition of The Telegraph by clicking on the following link.

New leaders, some blessings & a fresh start

Calcutta Public School, Kalikapur

Young leaders of Calcutta Public School, Kalikapur, got their badges and spoke of their goals and agendas at an investiture ceremony organised at the school auditorium.

Students, teachers, principal Proma Das and school secretary Tathagata Das attended the event. A speech by Chandreyee Dasgupta, the teacher in charge of the four houses, kicked off the programme.

Former head-girl-turned-teacher, Shalini Chakraborty, took over. She narrated her experiences as the leader in 2013-14 and encouraged the new ones through her speech.

The new leaders entered the auditorium in a procession to drum beats. Head girl Aditi Roy, head boy Abhinandan Chakraborty and games captain Anurag Kumar Jha were followed by the post holders of the four houses — Tulip, Rose, Orchid and Daffodil. Finally, the principal conferred them with their respective badges.

Each house got eight minutes to present its motto and agenda. Leaders of Tulip (blue) House spoke of their vision, focus, teamwork and effort. They showed a PowerPoint presentation of their achievements and future agendas and finished off with a dance. Rose (red) House chose the Mahabharata to talk about their goals. Students dressed up as Krishna, Draupadi, Arjun and the Pandavas to talk about some positive qualities that guide them. A painting depicting their team spirit was done in the background. A PowerPoint presentation and a flower formation ended their session.

Representatives of Orchid (yellow) House said how are ruled by three Rs — Respect for self, Respect for others and Responsibility. They also spoke about unity in diversity and their goals. They ended with flag hoisting, a dance and a pyramid formation.

Daffodil (green) House spoke of their inspiration and goals. They highlighted their belief — knowledge is power; power is wisdom.

"Leadership is the capacity to translate vision into reality. At the investiture ceremony, we acknowledge our school's upcoming leaders and repose our trust in them. The young leaders uphold the values of the school and serve the institution honestly and impartially. They are on the threshold of a new beginning and the values they imbibe from the school will guide them forever," said principal Proma Das.

Lakshmipat Singhania Academy

The halls of Lakshmipat Singhania Academy recently resonated with the joyful voices of children from Classes II to V as they gathered to commemorate a milestone in their educational life.

The convocation ceremony for these two classes was held in the junior assembly hall. The students wore specially crafted caps for this occasion.

School director Meena Kak spoke to the students and advised them not to compare themselves to others, because each individual is different in their personality and qualities. It is important to learn to value the unique individuals that God has created, she said.

As their classmates began on a new academic path, the students of Class IV sang *Seasons in the Sun*. Following that, the audience was shown an audiovisual presentation on the importance of gratitude. After that, Aaghnya Nathany of Class IV recited a poem, *Tera Lakshya*, which portrays that success comes to those who persevere until they attain their objectives.

The pupils in Classes II and V then made a vow to try their best to achieve the standards set for them and to live up to their institution's pride and distinction.

"I turned a little emotional seeing the students in their convocation caps. It was after two years that we had this ceremony with students of Classes II and V in full strength. Wish students are able to relive good old days with their friends and mentors in the new academic session," said director Meena Kak.
